"KNOWLEDGE—THE BINDING TIE OF SCHOOL DAYS" . . . was chosen by the 1960 Por El Ano staff as their theme. In the following pages, we will show through photography how students have a common bond during their school days in activities, goals, achievements, and their academic studies. Wisdom is evolved from the knowledge we acquire through these binding ties. As Tennyson once said, "Knowledge comes, but wisdom lingers," wisdom being a factor which we will depend upon to guide us in our everyday life.

The purpose of the Por El Ano is to provide a record of events and achievements for the school year 1959-60. In years to come, we hope this book will be used as a living record to the 1960 graduates of their last year at El Rancho High School.

A different method was used in making the photographic print of the division pages. The pictures were printed through a textured glass screen, which gave the pictures the grainy effect. The glass used for this screening had somewhat the same texture as the cover of the book itself. This year the book was enlarged and many new attractions added. It was the endeavor of the staff, through the use of new techniques and in the most interesting way possible, to capture the memories and events of the school year 1959-60 at El Rancho High School. This editor feels that the Por El Ano staff has succeeded in attaining its goal.

ACKNOWLEDGMENT . . .

The yearbook staff wish to thank all those who helped make this issue of the Por El Ano possible. A word of great appreciation should go to Mr. Cornelsen and his photography staff; namely, Jim Kaprielian, Evelyn Ocampo, and Richard Partida, and others who worked with them, for the many hours they spent working on the annual photos. Our thanks also go to J. EDMUND WATSON STUDIO of West Los Angeles for their fine photographic work which was used in some sections of the book.

FACULTY & A.S.B.

With sincere desire to show our appreciation and gratitude we dedicate the 1960 Por El Año to Miss Daria Charles. As Vice Principal, Miss Charles has shown sincere interest in the basic framework and welfare of our classes, teachers

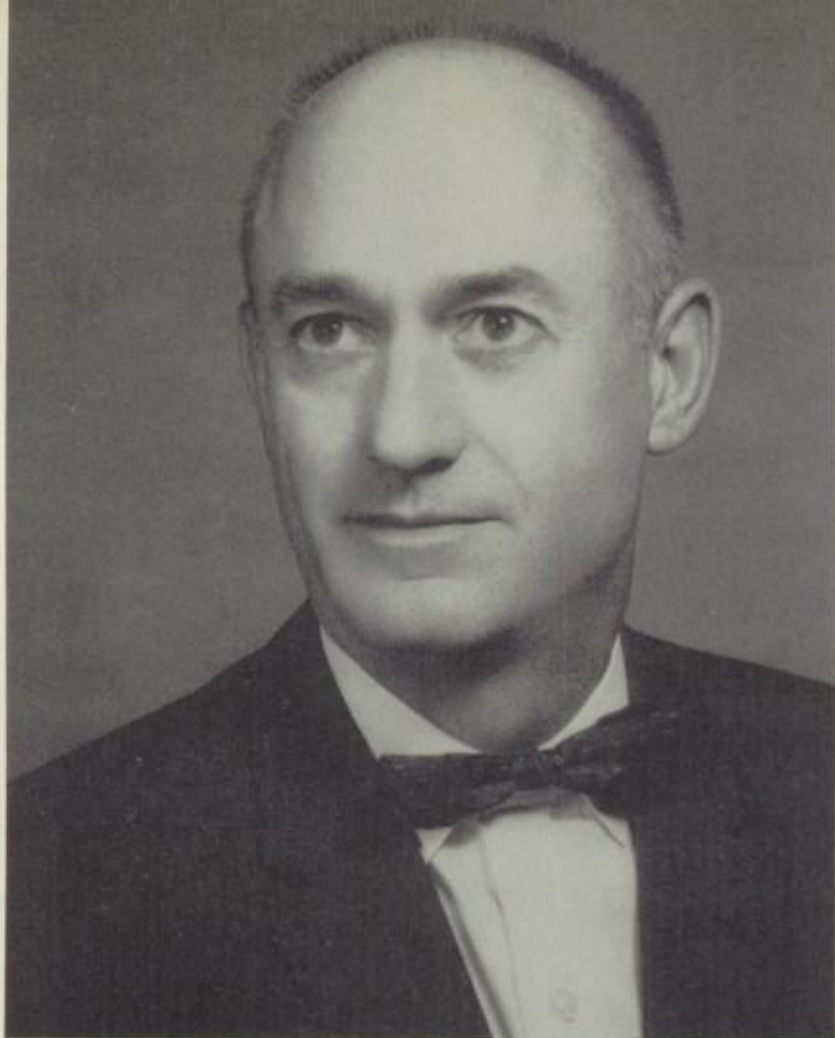

and the students.

Graduated from Alhambra High School, Miss Charles attended the University of Southern California where she majored in History and received a Masters Degree.

Her first teaching position was at Riverside Junior High. In 1937 she accepted a position at Whittier High. In 1953 Miss Charles was appointed our Vice Principal.

WHITTIER UNION HIGH SCHOOL DISTRICT ADMINISTRATION

Your District Administration has done much to further the education of its students. They hope to have all the schools equipped with language laboratories and acquire books for blind students. They are working hard to have a swimming pool built at El Rancho and a football field built at California High.

ADMINISTRATION

ADMINISTRATION

The El Rancho Administration consists of, Miss Lois Winter, Dean of Girls; Mr. Mathew Miletich, Dean of Boys; Miss Daria Charles, Vice Principal, to whom our annual is dedicated; Mr. Cyril Jackson, Director of Attendance; and Mr. Eugene Kreyche, Director of Activities.

MR. ROGER WEEKS

At first glance a quick scanning of the pages in this book will give the reader an impression that he has just witnessed a television show done in the motif of yearly "Spectaculars" such as: "The Fabulous Fifties," "The Frantic Forties," "The Tired Thirties," etc. A closer look on the other hand, will reveal a subtlety which may escape the casual viewer.

Commencing with its dedication to a lady of quality, charm, intelligence, beauty and professional competence—and ending with "commercials" tastefully and artistically done, the 1960 Por El Ano is impressive in its text, objectives, and execution.

In the year 1959-60 El Rancho students did, indeed, achieve many things. One can not help being impressed by this fact, while at the same time hoping for bigger and better things in 1961. The underlying tone of this book reflects the trend of El Rancho students toward the recognition of knowledge as the keystone in life's successful building.

Our congratulations and warmest personal good wishes are extended to the seniors as they leave our campus.

The demand for secretarial and office workers is great at the present time. Frequently, calls come in for both girls and boys who are qualified to do various kinds of commercial work. These jobs often serve as stepping stones to higher paid positions. Interested students are urged to major in this field, if possible, or to take as many business courses as can be carried in connection with other subjects.

There are five areas in which a student may major to fit himself for employment. These are: secretarial, stenographic, clerical, bookkeeping, salesmanship and merchandising.

BUSINESS EDUCATION

COUNSELORS

Our 108 teachers have worked diligently in our 79 classrooms to provide us with an education.

Last year their labors seemed to pay off for out of 1,817 graduates in the W.U.H.S.D., 55% wished to further their education. But all the credit should not go to the teachers alone, but also to our counselors who not only help us with our programs for the following year, but also help us plan our future.

DRIVERS EDUCATION

Using books, pamphlets, films, and charts, students learn the basic attitudes of courtesy, safety, responsibility, and respect for law. World Cultures classes study the Motor Vehicle Code, which is followed by a test which qualifies them as licensed drivers. During the summer and on Saturdays an instructor is available for the behind-the-wheel training program.

Appreciation of the fine arts was a department goal of every teacher for his students.

Art is one of the more colorful studies at El Rancho. You will find drama, art, commercial art, ceramics, crafts, speech arts, and stagecraft in this department. Most of the students which took any of the preceding subjects worked diligently this year as was clearly shown in the tremendous assemblies and the Spring Art Show which they presented during the year.

FOREIGN LANGUAGE

Giving students a limited speaking, reading, and writing knowledge in modern language is the aim of the Foreign Language Department. Students show much interest in foreign languages which is shown by the support they give to the different language clubs. They plan many activities, among them are the Spanish Posida and the interest provoking Latin Roman Banquet, in which the students take an active part.

HOME ECONOMICS

Helping individuals to be worthwhile members of their families, community, nation, and the world is the goal of all education. The Homemaking Department teaches respect of the individual and also improvement of democratic living.

There are five fine teachers in our Homemaking Department; each does a fine job in educating the students in Homemaking.

INDUSTRIAL ARTS

One of the main projects of the industrial arts department is the planning and building of the student built house. It is designed to give the student as much practical experience as possible. Each of the sixteen teachers is a specialist in his field. El Rancho's industrial arts department offers a fine program in engineering and drafting.

Mr. Ralph Porter, as department head, does an outstanding job.

MATHEMATICS

Fundamental mathematics and the ability to use math are essential in conducting everyday affairs. Understanding higher mathematics is becoming more important in professional and semi-professional occupations.

The Math Department strives for: an awareness of the presence of Mathematical problems, and an understanding of mathematical principles to aid in the solving of these problems; skill in the performance of fundamental arithmetic; and increased understanding among those who pursue higher mathematics as a basis for scientific or professional careers.

Courses included in this department are: Pre-Algebra, Algebra, Plane Geometry, Trigonometry, Solid Geometry, and Senior Math.

In this "Space Age" we live in we are constantly being bombarded by scientific terms. These are ever present in current newspapers and magazines. To aid in our understanding of these terms, El Rancho offers courses in, Chemistry, Zoology, Biology, Physics, Photography, Applied and Freshman Science.

Each year the Science Department participates in the San Gabriel and Southern California Science Fairs, which are designed to promote interest in the sciences among students.

PROUD TO TEACH

The El Rancho Teachers' Association was organized the year El Rancho opened its doors. It has been an active organization since then. One hundred and eight teachers are members, and they work in a spirit of good will to improve the standing of the teaching profession. They cooperate with many community agencies such as the Parent-Teachers' Association and Whittier High School District Board of Trustees to further the purpose of education. The organization is the teachers' spokesman to the community and the school administration.

The Association's accomplishments are many. Especially noteworthy was its generous contribution to the Community Chest Fund. The participation in the Blue-Gray Varieties and the Faculty-Varsity Basketball game was fun for students and teachers alike and served the purpose of raising money for the annual El Rancho Teachers' Association Scholarships. These scholarships are awarded each year to two outstanding senior students who are interested in teaching.

Beach parties, square dances, and theater parties, and other social events are held throughout the year to supplement the many professional activities in which the teachers are involved. Each month a meeting is held to tackle some professional problem. At each of these meetings and throughout the year the teachers reaffirm that they are "Proud to Teach."

MAINTENANCE

This is your 1960 Annual Staff, under supervision of Mr. Ed Brennan. Much effort and time was put into the making of the Por El Año, and we hope you will be as proud of owning it as we were in having created it. Mr. Don Cornelsen's photo students did a fine job in photography. Without their help and cooperation the annual would not have been as outstanding.

An annual is something that will bring back memories many years from now and certainly this is one which fulfills its purpose!

Going over the Por El Año layout are, Ruth Bittner, assistant editor; Mr. Cornelsen, photo advisor; Mr. Brennan, annual advisor; and editor, Irene Aguilar.

ANNUAL STAFF

Writing copy for the annual is a task that requires much hard work and concentration.

Rushing to meet annual deadlines are Ruth Bittner, Carol Basham, and Sharon Oliver.

EL RODEO STAFF

Putting out an exciting sports page are, Doug West, Lon Spiegelman, Dave Keays.

Editor-in-chief, Susie Schambacher, and Advisor, Mr. Terry Itnyre, collaborate over copy for the El Rodeo.

El Rancho this year was proud of its prize winning weekly newspaper, the El Rodeo. One of the high points of the year came when the newspaper earned first prize out of all Los Angeles area schools in makeup, layout, and design in competition at Los Angeles City College.

Editor-in-chief, Susie Schambacher, spent long hours working for a more perfect product. She was joined in these efforts by page editors, Phyllis Foresta, Dick Singer, Kathy Jennings, and Lon Spiegelman. Norma Wisehart handled the photography, while Pat Brinkman sold the ads and Rosalie Young held forth at the noon hour distribution table.

A bonus for the news staff this year was the enrollment of Enrico Plati, exchange student from Italy, who intends to pursue a professional journalism career.

EXCHANGE STUDENTS

I shall be very happy if these few words will be able to remind the reader about that strange guy coming from Italy and to express to him thoroughly and sincerely the impressions that I will always feel of my American experience.

In that little Paradise of Pico Rivera I had the fortune to fall in one of the most wonderful families I shall ever know; the Bienhoff's, in fact, they have always been at the head of the long line of nice persons who used a thousand ways to make my stay comfortable and profitable.

From Wayne, my foster brother, came all the help I needed to win the emotion of my first days at "El Rancho" and the advices throughout the year. Nobody will either ever be able to extort from my mind that El Rancho is the best school of the United States, and the light shivering I feel when I hear my national anthem reminds me of what I felt every time I heard "our" Alma Mater.

During the whole year I never finished to discover new exciting experiences among the many activities organized by the student body with admirable seriousness and the consequent success. The pride I will always bring with me for having had the privilege to represent and defend the blue and grey colors will be the least I can do to reciprocate the wonderful friendship received from all the students.

When my train finally pulled into the station in Torino, Italy, where I was to spend the summer, I was a terrified bundle of nerves. What would my foster family the Soleros, be like? Could any of them speak English? These questions and several thousand more raced through my mind in the two minutes between our arrival and disembarkation from the train. But my fears were dispelled when, as I stepped out of the car, I heard my sister's voice say, "Are you Susie?"

Aside from a two week stay on the Adricate Coast, we spent the entire summer in a small mountain village outside Torino. Once we climbed high into the Alps. We started our hike about eight in the morning and walked until 11:30 or so, then stopped to eat. As we sat on the hillside warming our hands over a fire, and talking quietly, clouds began to move in and it wasn't long before we couldn't see the neighboring hill. Returning, I ripped my tennis shoe hopelessly, amused and worried everyone by descending the rest of the way barefoot. The mountain people may still remember the foolish American who traveled without shoes.

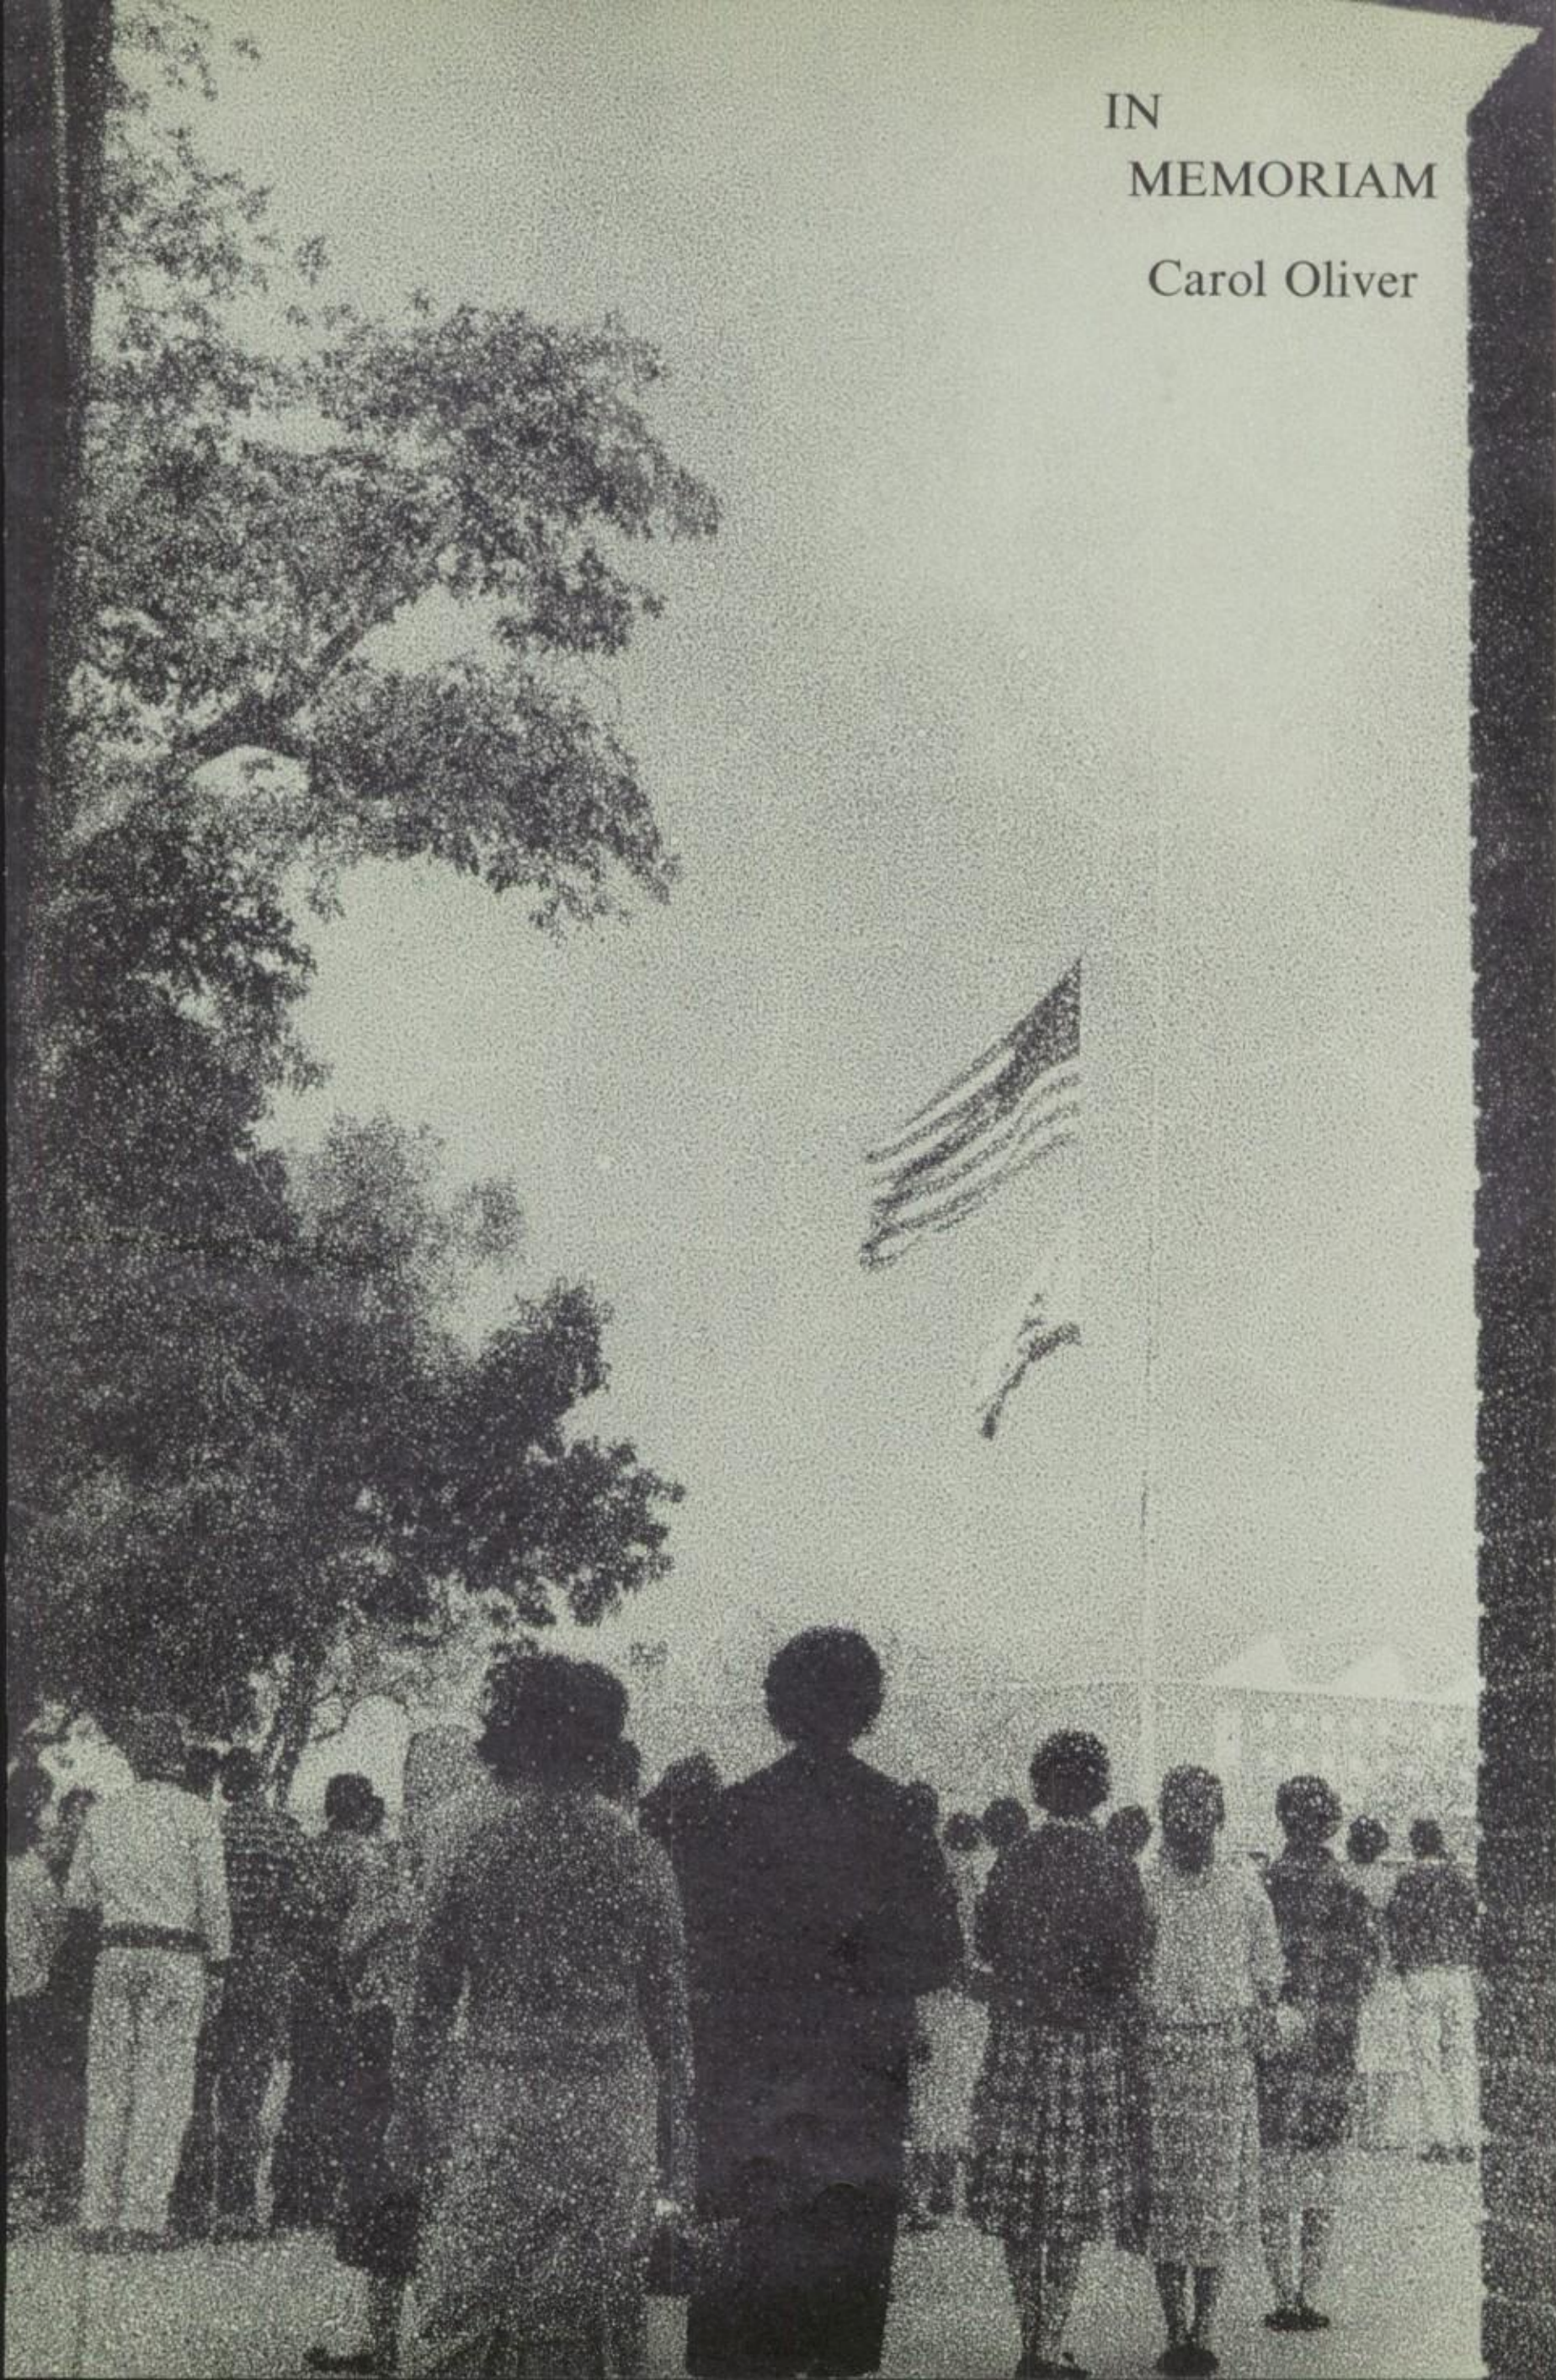

Italy and my family, the Soleros were wonderful, and the American Field Service is a wonderful organization. It is among my fondest hopes that El Rancho students will continue to participate in the exchange program and to appreciate the worth of the A.F.S. motto, "Walk together, talk together o ye peoples of the earth; then and only then shall ye have peace."

Mayor John Davis (seated) and City Manager F. D. Aleshire purchased tickets for the Harlem Clown game from our Foreign Exchange Students Susie Schambacher and Enrico Plati. Last summer the American Field Service sent Susie to Italy as our exchange student. Enrico was sent to us from Italy as their exchange student to spend the school year at El Rancho.

Bound for the future with all of its decisions and responsibilities, is the graduating class of 1960. Looking back upon their last year at El Rancho High School, the Senior class will recall all of the Senior activities. Those which brought them so much fun and fond memories to last throughout the years.

Under the able direction of class President, Dave Gaitan, and the rest of the class officers, this year was made one of the best and most memorable.

I hope we can always be
the best friends, you know,
and I hope we can always be
good pals one day.
I don't want to change, I don't
want to lose you.

(Sincerely)

I thought he'd never ask me.

The alarm rings and your day has begun: Get up, get dressed, eat and finish up some homework left over from last night, then you're off to school. Does this sound familiar? It should. The Seniors have come to know this routine very well through their twelve years of school. You stand silent in the quad while the flag is being raised, talk and laugh with your friends while waiting for the first bell to ring that will send you off to six periods of work and study. 12:35 arrives and you make a mad dash for the snack shack or cafeteria, hoping you'll be one of the first in line. You eat as much as you can afford, while listening to the latest gossip shared by your friends; and then it's back to work. As the day nears an end you gather your homework together and head for home, knowing that tomorrow you will return, but someday you will graduate and your daily routine which you have come to love, will be broken.

Practice for Co-ed Capers.

Hey, no mistakes yet!

A DAY WITH A SENIOR GIRL

At work in the activities office.

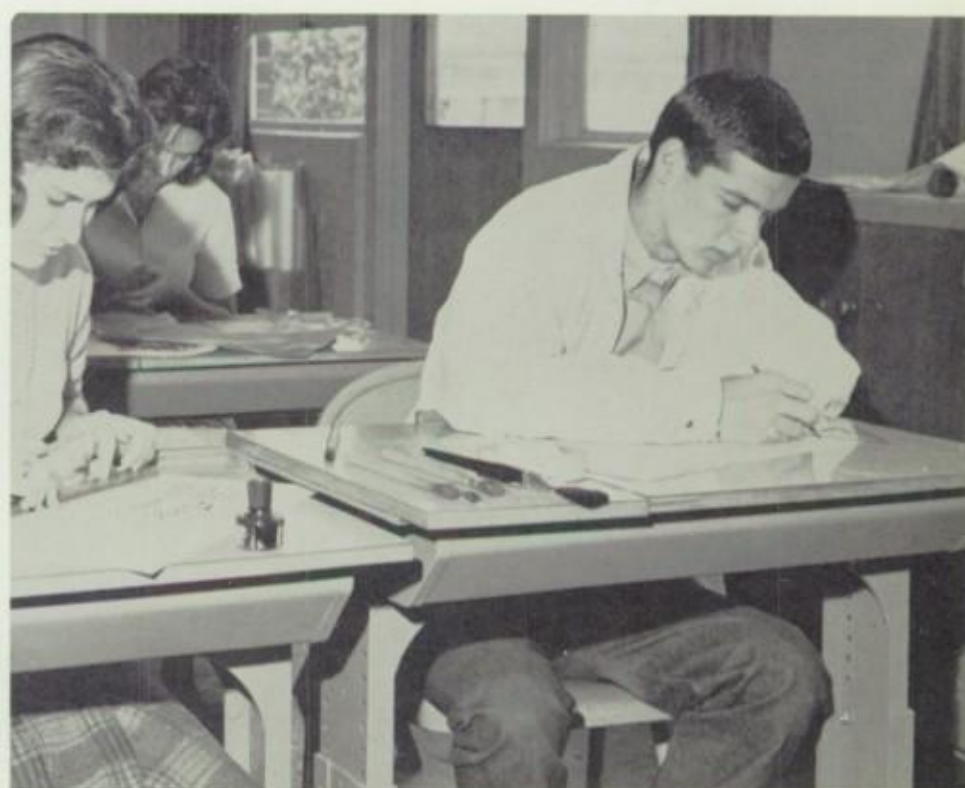

—and someday maybe we'll invent a new perfume.

A DAY WITH A SENIOR BOY

Get up, go to class, eat lunch, go back to class, go home and make a date for the week-end and finally do homework.

VARSITY

FOOTBALL

Entering into C.I.F. competition for the first time since 1952, El Rancho's fabulous Varsity football team lost a hard fought 25-20 game to undefeated Hawthorne in the first round of C.I.F. playoffs. Coming away from the first quarter leading 13-0, it looked as though the Dons might win their first C.I.F. game. Marshall Adair hit end Mike Wixted with two perfect passes in the end zone to give ER its lead. Hawthorne came back and scored twice also to tie the score at 13-13 at halftime. With less than four minutes to go and ER leading 20-19, on a Adair to Rodgers pass, Hawthorne scored and went on to win 25-20.

Proving to be one of the finest teams in El Rancho's history, the Don team tied with Montebello for S.G.V.L. league Co-Champs. A fine record of 7 wins and 3 losses was established by the Don eleven. Eight members from the Don Varsity received S.G.V.L. league honors. Halfbacks B. Fernandez and R. Bates, quarterback M. Adair and end C. Rodgers all made first string all league team. M. Wixted and tackle J. Ashlock received second team league laurels, and guard H. Pace and tackle S. Ross received honorable mention.

El Rancho will always be proud of every man on this great team.

El Rancho's strong Bee football team was edged out of the S.G.V.L. championship by defending champion Santa Fe High School. The Chiefs beat the Dons for the title by only one half game. Only a last game defeat by Excelsior kept the Bees from winning the championship. Like all of the other football teams, Coach Bill Snowden's team had an outstanding 7 win, 1 loss and 1 tie seasonal record and a 3-1-1 league record. Never running up an enormous number of points, the Bees played strong defense and usually manage to score enough points to defeat their opponents. Senior end P. Sandoval and Junior fullback D. Fowler were chosen co-captains by the team.

Starting off with a smashing 54-0 victory over Sierra High, our mighty Cee midgets rolled to record numbers of points that would have captured the S.G.V.L. championship had not a technicality disqualified the team. Under the fine coaching of Mr. Gene Leach, the team set a new Cee S.G.V.L. record of points—allowing only 19 be scored against them and scoring a total of 269 points. The captains, voted by team members, were D. Gonzales and J. Rodriguez. Scoring a total of 14 touchdowns, Gonzales was voted most valuable back. By doing a great job on the line, Alan Adamson was voted most valuable lineman.

Not winning very many games this year, the Don Varsity and Junior Varsity Cross Country teams demonstrated great potential for the following years.

Having a team made up of predominantly Juniors, Sophomores and some Freshmen, the Don Varsity was only able to win one meet. That was against California by a score of 26-29 (low scores win).

Junior captain and most valuable player Wally Van Selow and Sophomore George Canales paced this year's Varsity team.

Dull drops in another

Although not as strong as the past three years' Varsity teams, this year's Don Varsity five completed a successful season by thoroughly trouncing the Excelsior Pilots by twenty points 56-36.

Having a hot and cold season the Don Varsity managed to split their league season by winning five and dropping five. Not a real high record, the El Rancho five had enough victories to take third place in the S.G.V.L. behind champion Montebello and runner-up Cal High.

In one of the most hard fought games at Cal the Dons dropped a tight game to the Condors by two points. The winning basket was scored with just six seconds to play. This defeat ended the Varsity's hopes of going to C.I.F. as the second place representative of the S.G.V.L.

Establishing a 10-12 seasonal record, the Dons entered in the Arroyo Tournament and Edgewood Tournament, but were eliminated after the second round of play in both tournaments.

This year's team consisted of only three returning lettermen who sparked the team most of the season. Bill Cort was the only man that was in the starting line-up who wasn't a senior, as there were only four members on the team who will be returning next year.

Captains Mike Wixted and Dennis Dull supplied most of the Dons' offense punch along with the strong rebounding of 6 foot 5 inch Wayne Neet.

Mateus drives for two

For the second time in three years El Rancho's Bee team took the S.G.V.L. championship.

Proving to be one of the finest Bee teams in El Rancho's history, the Bees had a 16-6 seasonal record. For the fourth year in a row Coach Bill Stanley's team took fourth in the Excelsior Bee Tournament, getting defeated by Montebello by 4 points to eliminate them out of the finals.

Led by the top scoring of guards Duffy Mateus, Bob Fraka and Captain John Mason along with the good defense of Lynn Thompson the Don Bees won six in a row before losing to Cal High.

El Rancho's Cee team finished a strong second in this year's S.G.V.L. competition behind Montebello. Under the coaching of Joe Osterman, the Don Cees established a good 8 win and 2 lost league record. With the constant scoring and rebounding of Dave Lynch and Dave Keays the Cees took the consolation championship at the Bellflower Cee Tournament early in the year. The Cees looked like they were headed for the championship as they won seven in a row, and then dropped the next two to Montebello and Bellflower in close games.

Just missing the S.G.V.L. championship again, Coach Joe Olsen's mighty court-midgets concluded their season in second place. Winning eight games and losing two during the league season wasn't enough to capture the championship. On the first round of play the Don Dees had won four in a row before dropping a one-point decision to Excelsior. Overall the Dees won 12 and lost 5 during the long season.

Captain Gilbert Villa and most valuable player Richard Morga supplied most of the scoring punch for the Dons. The team demonstrated good potential for the following year as basketball players for El Rancho.

Under the direction of Coach Robert Feldman the Don JV team had a seasonal record of 8 wins and 9 defeats. The team consisted of 6 seniors, one junior, and one sophomore. Supplying the team with winning punch were co-captains Steve Lynch and Hank Ares. Senior Steve Lynch led the team in scoring. This was the first year that El Rancho's JV team had a losing year.

Proving to be one of finest JC teams in El Rancho's history the team came out with an impressive seasonal record of 7 victories and only 3 defeats. The team's high scorer and voted most valuable player was Jesse Morales. This proved to be a very successful season for rookie coach Hampton Mears. Although not receiving a letter or much recognition for their work the boys always worked hard and never quit in establishing this year's mark. Clifford Jay along with Morales were the team captains.

Another season has come to an end for El Rancho's Varsity and JV teams. Again the two Don teams finished high in their respective leagues, as Varsity took second and the JV's garnered the league championship.

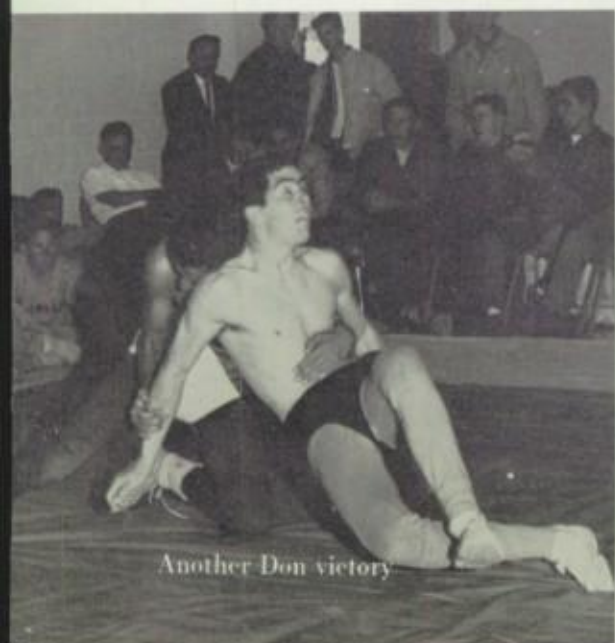

Finishing in a tie for the title with Cal Hi, the championship for the Varsity teams was decided at the S.G.V.L. finals. Captain and most valuable player Stan Ross went to CIF along with Jack Swallows, Howard Pace, and Bert Williams. Unfortunately none of the boys reached the finals. Overall the Don Varsity established a 8-4 seasonal record, and a 3-1 league record. The El Rancho JV team went through the season undefeated posting a 10-0 mark.

Closing out a successful season with a season record of 10 wins and 5 defeats, the El Rancho Varsity Water polo team took second place in the S.G.V.L. Finishing behind Cal Hi, the Don poloists garnered a 3 and 3 won loss record in league play. Playing under the skilled direction of new head Coach William Sexton, and Alan Stones the Don fighting seven also took a second place in the consolation bracket of the Inglewood Water polo Tournament to round out their excellent record. Senior Bill Barnett and Mike Roseen along with Senior Bill Sinner received the honor of being co-captains.

El Rancho has fielded one of its strongest teams this year. It looks as though hard working Coach Bill Sexton will bring home his first championship trophy for El Rancho in his first year as a coach at Donville because his swimmers won all of their contests except one during pre-season meets. The only defeat was a close, hard-fought loss to Lynwood.

This year's senior studded team has demonstrated great desire and ability in winning their three pre-season contests. Veterans Ron Gorski, butterfly, Jim Nagel, breaststroke, and Bill Barnett in the backstroke and 100 yard free style have been the sparks of the team.

Velasco has been capturing first and second places in free exercise and tumbling. Wolf has been taking first place on the rings, and Verdugo has been going strong in the rope climb event.

Coach Tom Keough's Varsity batmen were aiming for another top place finish in the S.G.V.L. baseball race. Showing signs of brilliant play and a lot of hustle during the Dons' pre-season matches, our Varsity has been picked to go far in the league this year. Returning letterman Wayne Neet is expected to carry most of the load in the pitching department for the Don Varsity nine this year. Neet's batterymate, catcher Marshall Adair, and third baseman Durwood Fowler were supplying the Dons' heavy hitting during the Dons' pre-season encounters. Adair had hit two home runs, and Fowler was knocking in most of the runs. Senior shortstop Charlie Rodgers has also wielded a big bat as he has hit one round tripper thus far in the season.

Led by versatile speedster Richard Manuse and muscle man Bill Pace, the El Rancho Don Varsity entered into pre-season competition and only lost one meet out of five. The only loss that was handed to the Don spikesters was by last year's CIF champions Compton High School.

Most of the Varsity's strength lies in the 100 and 220 yard sprints, the shot put, and the 880 relay team that broke the school record. The relay team consisted of Pat Allen, John Ferguson, Jim Mitchell and Richard Manuse. Up from the Bee team, Manuse has supplied consistent victories in the sprints, and he set a new school record in the 220 with a time of 21.9 seconds. Bill Pace, Marty McWhinney, and Don Jones have been taking the shot put event regularly. At all of the three practice meets at El Rancho, Pace broke the Varsity shot put record every time at 54 ft. 3 in. against Compton.

Pole vaulting is another event that the Varsity tracksters are strong. Mike Jiminez and Dick Bettencourt supply the power and skill in this event.

For the first time in El Rancho's Varsity track history we defeated Whittier High School. The Dons showed power in all events as the Cardinals were defeated by a score of 64-40.

It looked like Coach Sam Travis was headed for one of his most successful years.

Paul Sandoval has won either first or second place in the high jump, and has finished well in the broad jump. Having a successful pre-league season, the Don Cee cindermen were looking forward to a bright future in the league season. El Rancho's Cees defeated always strong Compton and held arch-rival Whittier to a 38-38 tie.

Most of the Cee's strength has been in the distance and low hurdles races. Billy Copan has won everyone of his 660 yard races this year but one. Freshman Joe Trammel has also been giving the Cees support as he has been taking second behind Copan in the race. Gilbert Flores is the other consistent Don Cee winner. Creating interests in various sports and acquainting the girls with one another are among the goals accomplished by the G.A.A. Board. Sports that were offered were: Basketball, Tennis, Hockey, Volleyball, Softball, and Modern Dance. This year's G.A.A. Board sponsored many candy sales to raise funds for playdays and other activities. Doing an outstanding job of presiding over the Board was Mary Wolff with the assistance of Miss Hagler and Miss Urashi as advisors.

FATHER AND DAUGHTER SPORT NIGHT

Oh, well, just don't stand there, get the ball!

An exciting annual activity sponsored by the G.A.A. Board is the Father and Daughter Sports Night. This gave the fathers an opportunity to meet their daughter's friends. Advisor Miss Hagler, participated in several games of volleyball. Among the seniors who attended this activity were Terry Bassett, Mr. Bassett, Anita Garcia, Joyce Jenson, Mr. Jenson, Pat Grant, Mr. Grant, Linda Juarez, Mr. Juarez, Donna Froelich, Mr. Froelich, Pat Carr, and Mr. Carr.

After participating in several games of volleyball refreshments were served and Boy! O! Boy!, were they hungry! During refreshments Miss Hagler added up the scores to see who had won the games. Guess who won? The daughters did! This goes to show that "age" creeps up on the Fathers when least expected.

While not as exhausting as the Father and Daughter Sport Night, the Mothers were also given the opportunity to acquaint themselves at the Mother and Daughter Banquet activity. At this event the new officers for the year of 1960-1961 were installed, and all enjoyed a delicious dinner. Outstanding players also received their awards.

G.A.A. OFFICIALS

Keeping up with the active girls in various sports were the enthusiastic G.A.A. Officials. The girls play an important part by promoting good sportsmanship and officiating at G.A.A. activities. The Officials participated in the High School Playday in which El Rancho was host. Before starting the competition they went over rules with the girls. El Rancho was also host to four Eighth Grade Playdays in which the Officials took an important part. The last playday the Officials told girls about the upcoming sports and showed fundamentals of games.

HIGH SCHOOL PLAYDAY

A new activity, the High School Playday, was added to the G.A.A. calendar this year. At the Playday El Rancho acted as host to four neighboring high schools, Arcadia, Covina, El Monte, and Whittier. Groups were assigned to certain areas in which they were to play; off they went to the volleyball, basketball, and tennis courts, and the Playday was on its way with a lot of energetic girls participating in these games. Concluding the Playday refreshments were served and awards were given to the group showing the best sportsmanship.

Take me out to a ball game.

EIGHTH GRADE PLAYDAY

Eighth Grade Playdays are among the exciting activities sponsored by G.A.A. Volleyball, Basketball, and Softball were among the playdays offered to the 1961 freshmen. At the Playday demonstration the girls learned of sports that will be offered for their next year. Girls from Rivera Junior High, Mary Meller, North Park, and the new Burk School participated in some of the playdays. Trophys were awarded for sportsmanship, skill, and pep. Refreshments and entertainment were provided for the girls' enjoyment.

S.G.V.L. Co-Champions showed the El Rancho Student Body a memorable football season. It was excelled by the performance of the Drill Team and Band.

Under the leadership of Irene Aguilar, and assistant Laura Bejarano, this year's Drill Team proved to be one of the finest that has ever represented El Rancho.

One half time which will always stand out in the minds of students was the Homecoming Performance. For the first time in the history of El Rancho the Drill Team used flashlights on a darkened field to make their formations. Spectators agreed this made a unique and beautiful effect.

The Drill Team also performed at the Pomona Fair, and the Whittier College Homecoming Parade.

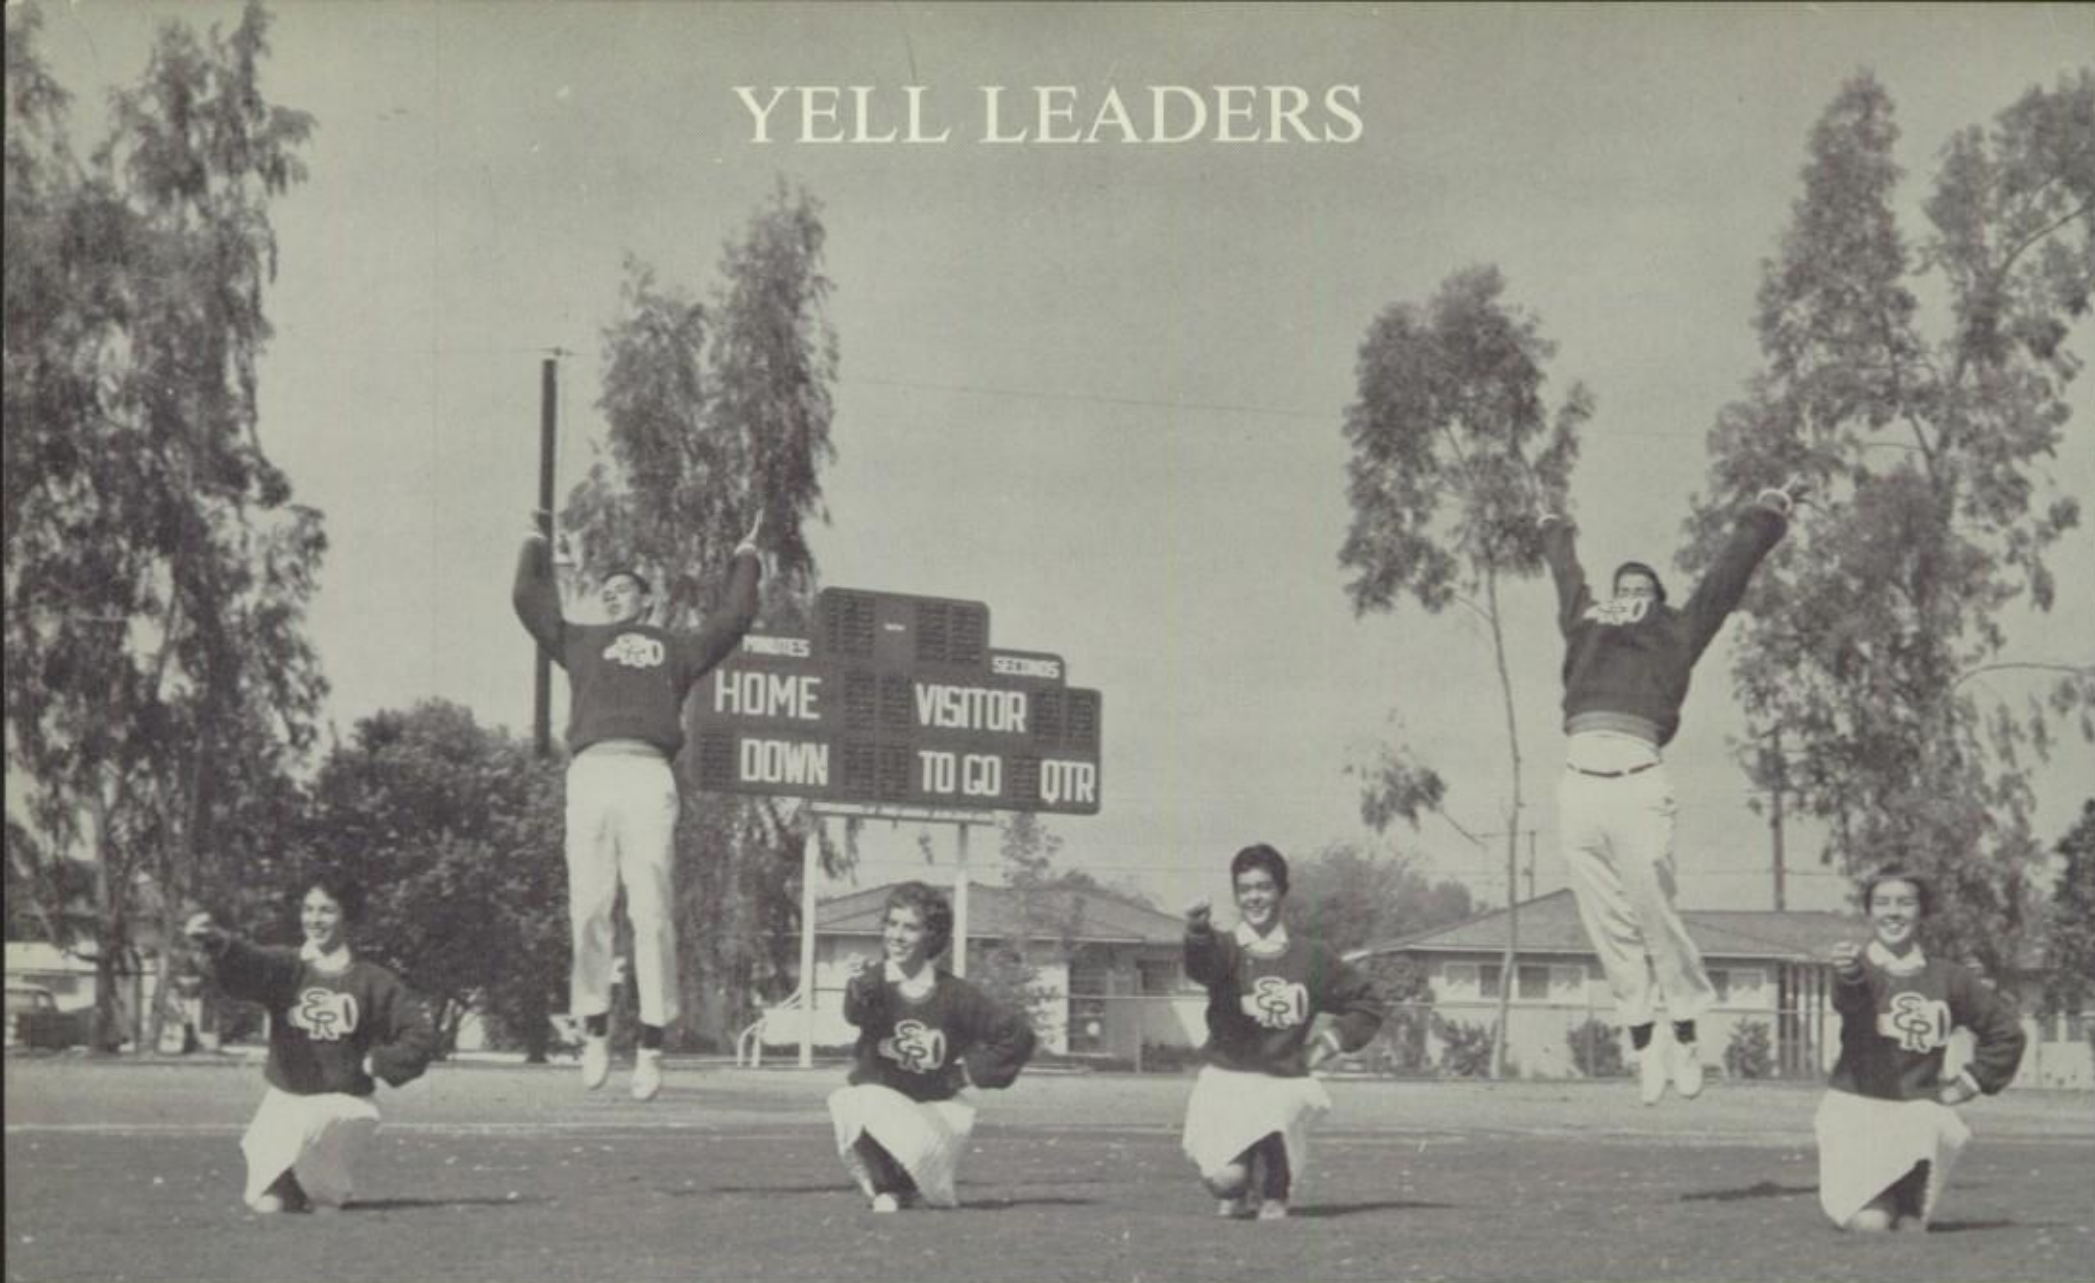

Advisor is Miss Barbara Hagler, whose influence and leadership made this the outstanding organization it is today.

MASCOTS

We are especially proud of this year's flagsters, majorettes, and mascots. They were among the many pepsters which helped to promote spirit during football and basketball seasons. Donnettes are chosen for their skill and personal appearance by faculty members. These Donnettes performed at the Pomona Fair along with the Drill Team and Band. They also received a big welcome at the Santa Fe High exchange assembly.

Mascots, Jerri and Sandy, added much comic and spirit to the Don field.

ASSEMBLIES

ASSEMBLIES COMMISSIONER, Carolyn Farese, has planned a variety of interesting and educational assemblies for the Student Body this year. Above, Mr. Johnson is presenting Stan Ross with the Most Valuable Player Award at the Annual Awards Assembly. To the right, our six peppy yell leaders are promoting pep at our first outdoor pep assembly. In the lower left corner, Helen Swanson, our 1959 Homecoming Queen, is crowning Yvonne Cisernos 1960 Homecoming Queen. One of the most special assemblies planned this year was the Lincoln Day Assembly. Jester Harrison, television star of the Amos 'N' Andy Show, led our Choir and Girls' Glee in the singing of negro spiritual songs. Mr. Harrison signed autographs after the assembly.

These are a few of the many assemblies planned for the promotion of school pep, entertainment, and education.

Harmonizing at many home and exchange assemblies Mr. Marsh's singing groups were kept very busy this year. The Don Choir and Girls' Glee traveled on many special trips such as the Spring Concert on May 13 and a Festival at Redlands University on May 6.

Busy was the month of March for the Blue Notes. Los Angeles State College's Delta Kappa Gamma Sorority invited the El Rancho Blue Notes to sing at their meeting for professional educators.

The most outstanding musical assembly featuring Jester Hairston, composer and television personality, took place on February 11. Mr. Hairston led the Choir, Girls' Glee and Blue Notes in a very fine performance.

BLUE GREY VARIETIES

DIANE FAIRFIELD

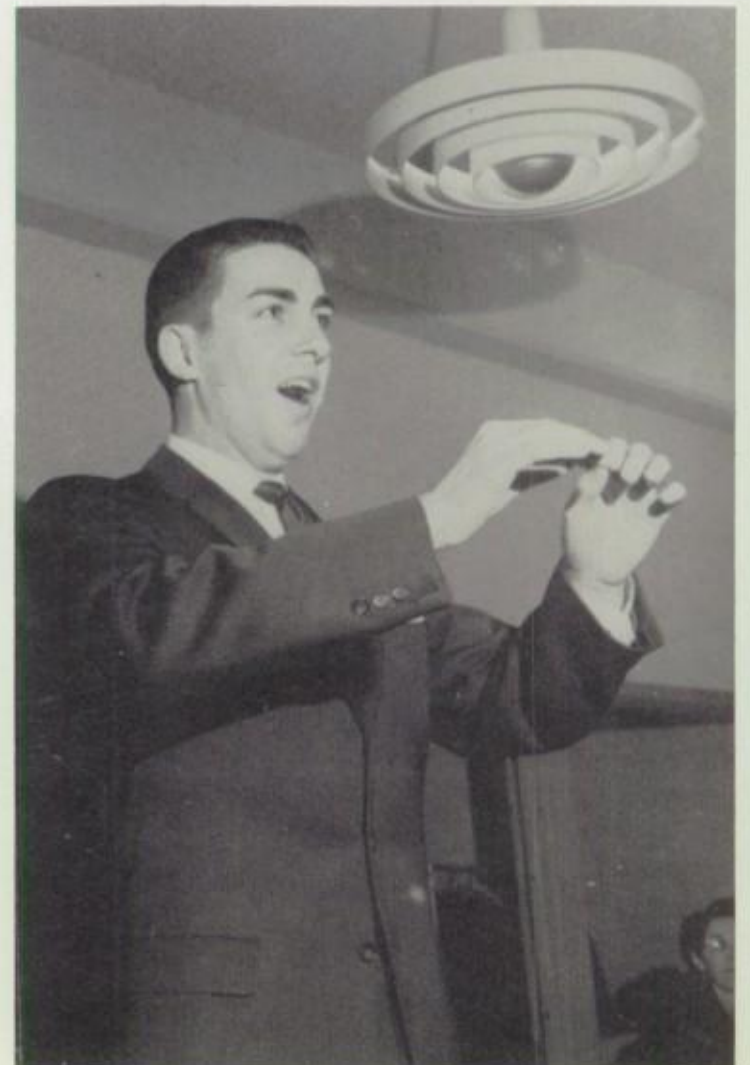

Literally everything was presented in this year's Blue Grey Varieties. With a cast of approximately 300, including the Don Band, Concert Glee, Interludes, Blue Notes, Coed Caper groups, and members of the faculty the show proved to be an hilarious success. "Three for the Money" was the theme for Blue Grey Varieties, directed by Mr. Warren Marsh. For the first year the faculty show was combined with Blue Grey Varieties. With the students doing the first two acts, and the faculty doing the third act, the show ended in laughter with the faculty doing the Hully Gully.

HOMECOMING

"I will treasure every moment of my crowning for the rest of my life," were the words spoken by El Rancho's 1959 Homecoming Queen, Yvonne Cisneros. The seventh annual homecoming activities will long be remembered by both students and alumni. During half time, the cars circled the field and the band and drill team gave a fine performance. The queen and her court were also honored at the traditional homecoming dance, which featured the Interludes Dance Band.

"Moonlight Magic" proved to be a very different and beautiful theme for this year's Junior-Senior Prom. Setting the mood with street lights, park benches and shrubbery the decorations proved very pretty and original.

Many thanks to the Junior Class Cabinet for doing such a fine job. The student body will always remember May 14, and "Moonlight Magic."

JR. - SR. PROM

It was a very special evening for many couples on Dec. 5, the night of the Annual Girls' League Formal Dance. Unique and beautiful was "Christmas Cotillion" the theme chosen by Jackie Bemett and the Girls' League Cabinet. A majestic white Christmas tree centered the Don Ballroom floor. Carol Waxes' Band set the mood with music while the dancers danced under a blue ceiling and white snowflakes. Surrounding the walls a number of Christmas scenes gave a more decorative and wintry atmosphere. This was felt by all as the dancers joined the band in singing of seasonal carols. The Girls' League Christmas Cotillion was a memorable night for all. Photos were taken to save this night.

RHYTHM RODEO

Rock and Roll the Presses was the theme of the Rhythm Rodeo March 19, sponsored by El Rancho's El Rodeo staff.

The Interludes, El Rancho's 13 piece dance band featuring guitarist Randy Ritter, swung out the popular songs of the day as well as old favorites.

To further carry out the newspaper theme, the gym was decorated in black and white. A collection of different school papers was displayed on the walls.

WESTERN DAYS

Everyone enjoys themselves at El Rancho's annual Western Days affair. The entire week is donated to doing odd things that ordinarily would not be done. Booths are set up with all types of games and prizes. Each booth is sponsored by different school clubs to help raise money. Friday, the last day of Western Days, everyone dresses crazy in stripes, polka dots, and all kinds of weird colors.

WESTERN DAYS

FROSH-SOPH DANCE

Preparation is the aim to a successful dance such as this year's annual Freshman-Sophomore Dance. Much planning, publicity, and decorating must take place in advance.

Above we see the freshman and sophomore cabinets working and planning together in preparation for "Oriental Enchantment" which took place March 26.

To the right, Lanis, Claudia, Bill and Jim decorate the Don Ballroom with crepe paper and silhouettes to accent the theme.

Below, Mike Young cuts a silk screen for publicity purposes. To the right of Mike, we see two students admiring the poster and making plans to attend the dance.

The dance was a big success while the Interludes entertained the crowd and free refreshments were served.

During the course of the school year they taped miles and miles of campus sounds. At the end of the year, the accumulation of recordings were carefully condensed into the 13 minute record which you can now enjoy.

Featured are sounds from Pep Rallies, assemblies and many other activities.

*So a real fine guy
and cute too. Hope you

The Junior class had the task of making many important decisions. Among these decisions were: planning of the Junior-Senior Prom, selecting the senior sweaters, raising money to send the winner of the A.F.S. scholarship abroad, and sponsoring Blue-Gray Varieties. The active interest of the Junior class has added much to the enthusiasm and school spirit on the campus.

MR. HAZARD
Advisor

The Sophomore class with energetic enthusiasm has already begun to receive recognition as outstanding students in many activities. They have had fund-raising enterprises such as, noon dances, and cookie sales. They have purchased their class rings, and took part in the Western Days festivities. Much will be expected of the Sophomore class as they contribute to the building of a better El Rancho.

The Freshman class, even though they are new to El Rancho, have striven to uphold the traditions and standards of the school. They have also entered wholeheartedly into the many activities that were put before them. They sponsored the first candy apple sale this year which was very successful. They have worked in conjunction with the Sophomore class to make the Freshman-Sophomore dance the biggest ever. This class, with their eagerness and anticipation, has made certain its success in the future years.
